

Graduate Studies Independent Study Proposal, Course Creation, and Registration Form

**** Independent Study is NOT available to Non-Degree students****
Please use this form, effective for the Fall 2021 term, and forward

Independent study opportunities are available to students in the fall and spring semesters and refer to individualized instruction, which is provided in a tutorial manner outside of a regularly offered class schedule. Participating students work with their sponsoring faculty member to create a course of study and learning outcomes for the independent study and sign an Independent Study Agreement Form to adhere to these learning outcomes. The faculty member assigns the credit value to the course based upon the anticipated learning outcomes and scope of work required during the course of the study.
