Re: Addendum Number 2
IFB # C1544R – Kaufman Hall Façade Repairs Rebid

Questions:

Q1. Will a full time DOB Site Safety Manager be required at all times during the duration of the work?

A1. Please inquire with your site safety sub and provide price for proper performance of work.

Q2. Is it mandatory for anyone to bid that they must be a GC for at least 12 years or is that just a preference of the owner? It is unusual for a job of this size to have such a requirement.

A2. It is FIT policy & preference for façade projects.

Q3. The 5-year warranty period throws bonding companies off, is that something that can be reconsidered and be toned down to 2 years as for most other city and state jobs?

A3. Yes, warranty can be reduced to two (2) years.
